Introduction

Gulf Asia Management Limited (GAM Ltd.) is a specialized consultancy and infrastructure development firm that serves as a vital link between investors and opportunities across South Asia, the Gulf, and beyond. Incorporated under SECP in 2018, GAM Ltd. brings to the table an unparalleled blend of project management, transaction advisory, legal consultancy, and financial expertise.

GAM Ltd. is a thought leader in the strategic execution of infrastructure, trade, and legal reforms, dedicated to transformative outcomes in both public and private sectors. We are deeply engaged with initiatives for poverty alleviation, social impact projects, and policy development in collaboration with national and international partners, NGOs, and government institutions.

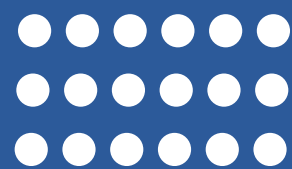

Our Vision

To be a catalyst for sustainable development through innovative infrastructure, policy-making, and legal advocacy that empowers people and transforms economies.

Core Values

- Ethical Governance
- Transparency & Trust
- Innovation & Integrity
- Social Responsibility
- Impact-Driven Execution

Executive Leadership

Mr. Shahzad Shaukat **Director, GAM Ltd.**

Chartered Accountant

M.Com (Finance & Economics)

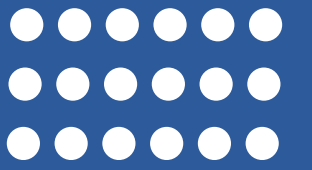

A financial economist with over 30 years of cross-sectoral experience. Mr. Shaukat has played a transformative role in the development of SEZs, legal-economic frameworks, and policy consultations with Pakistan Railways, FBR, PM Office, and international trade forums.

Expertise Highlights:

- *Economic and Policy Advisory to Federal Shariat Court on Riba-Free Economy*
- *Authored financial chapters for Shahid Javed Burki Institute*
- *Led international advisory missions in UAE, Germany, Italy, USA, and China*
