ABOUT US

With over four decades of international and local experience, aRazzaq & Co. has established itself as a trusted partner in the world of professional services. We provide end-to-end financial, legal, and business advisory services tailored to the evolving needs of global enterprises, government institutions, SMEs, and charitable trusts.

Our firm is rooted in integrity, excellence, and innovation, with a deep understanding of regulatory frameworks, industry dynamics, and client expectations. We operate with a commitment to quality, precision, and confidentiality—delivering results that matter.

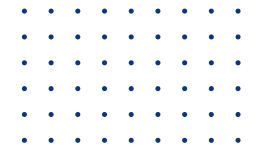

OUR MISSION

To deliver integrated, value-driven professional services with integrity, confidentiality, and a focus on sustainable client success.

OUR VISION

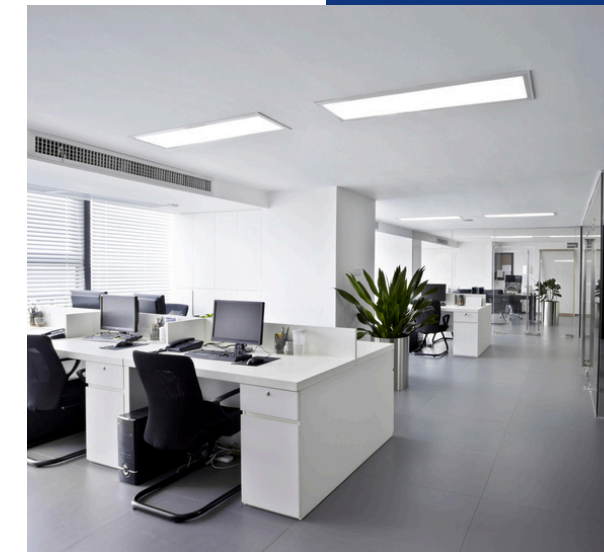

To be the most trusted partner in financial, compliance, and strategic consulting across emerging and developed markets.

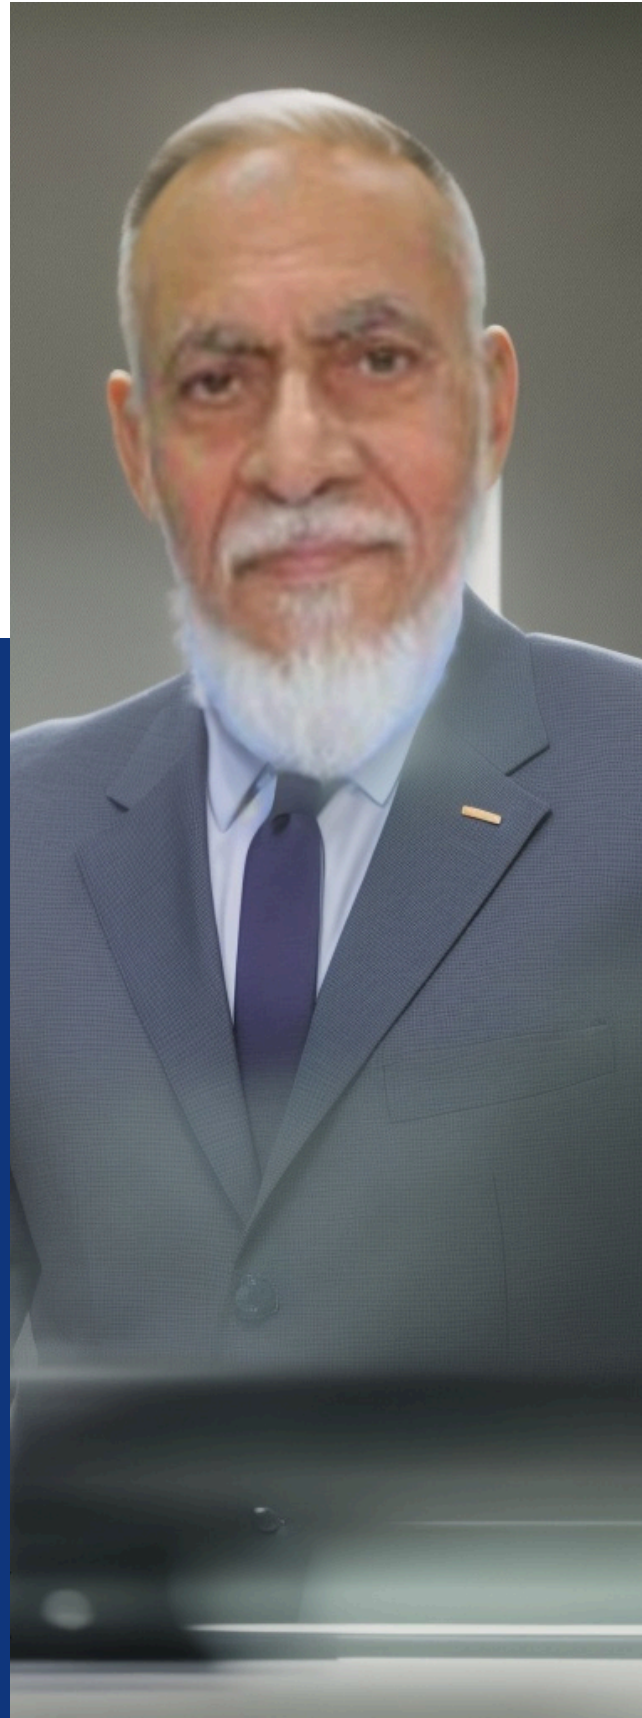

CORE VALUES

- 01.** Professional Integrity: We uphold the highest ethical standards in every client engagement.
- 02.** Quality-Driven Execution: We prioritize precision and excellence in all our deliverables.
- 03.** Global Collaboration & Local Expertise: We combine international insight with deep regional knowledge to create impactful solutions.
- 04.** Confidentiality & Client Trust: We safeguard client information with strict confidentiality and build lasting trust.
- 05.** Continuous Learning & Innovation: We embrace ongoing learning and modern solutions to stay ahead in a dynamic business environment.
- 06.** End-to-End Problem Solving: We provide comprehensive, results-oriented solutions tailored to every challenge.
- 07.** Strategic Alliances for Growth: We leverage strong partnerships to expand opportunities and drive sustainable growth.

LEADERSHIP EXCELLENCE

Mr. Abdur Razzaq

FCA – Fellow Member of ICAEW & ICAP

Over 50 years of service in audit, public finance, tax reform, and administrative restructuring. Led pivotal projects at the Federal Board of Revenue (FBR), Pakistan Revenue Automation, and Government Holdings.

Mr. Shahzad Shaukat

Chartered Accountant, Financial Economist

With over 30 years in economic planning and corporate finance, Mr. Shaukat has led strategic projects in the GCC, Europe, and North America—specializing in infrastructure development, economic zones, and public-private partnerships.
